THE DOWNTOWN RAGER THAT'S ABOVE IT ALL

Drumbar's

breezy eighteenth-floor patio, the secret

everyone knows about atop the Raffaello hotel, is chill before 8 p.m. and a throbbing, bourbon-fueled madhouse afterward. The fact that the outdoor space closes promptly at midnight—when the city's noise ordinance sends everyone back inside—just makes it that much more of a flash-in-the-pan party.

WELCOME to

CHICAGO

SEPTEMBER 2014 GO.COM

Now OFFICIALLY the GREATEST PLACE in AMERICA to GET YOUR DRINK ON

The Full House at Drumbar.
