

DRUMBAR

Drumbar does not accept reservations Monday through Wednesday; seating is on a first come first serve basis during this period. Parties of 4 or less need not make a reservation as it is much easier to seat small parties upon arrival.

Drumbar does not currently serve food but will cater to your needs. All reservations are subject to doorman's discretion. Venue reserves the right to refuse entry to guests for any reason, including but not limited to: underage patrons, visible intoxication, client presents a danger to himself or herself, or failure to adhere to dress code. After 8:00pm, dress code is strictly enforced (no baseball caps, sandals, baggy clothes, etc.). All guests are required to be at least **21 years of age** and must present a government-issued ID at time of entry. It is recommended that guests arrive early and with their entire group, preferably of equal ratios.
